Wayne Baseball Association
Coaching Agreement

The objective of all coaches and staff of this association is to instill the concept of Good Sportsmanship with the youth under our direction. The Board of Directors believes wholeheartedly in the philosophy of "Leading By Example". You will have a profound effect on the children you supervise and we strongly suggest you take that responsibility seriously. Winning and Losing are part of life, and kids learn how to handle situations based on how they see you handle them.

Tantrums, foul language and inappropriate behavior by adults or players will absolutely not be tolerated. Please be mindful that the final goal must be to make these kids better people and that the game is "**just a game**".

As a manager in the Association, you are responsible for the conduct of your entire staff, your team members, your parents and supporters. Any discipline or ejections of a player or coach must be reported to the league Commissioner. Any serious infraction must be documented immediately and given to a member of the Board of Directors.

By signing this agreement you are pledging to uphold the finest principals of fair play. Honesty, Integrity and Citizenship are lessons that these kids can utilize for a lifetime. Please remember that winning is secondary to learning and that helping to shape the character of these young people is a privilege that should not be taken lightly. The Board of Director cannot express how much we appreciate the volunteering of your time and effort to assist us in our endeavors. We wish you much success and stand ready to assist you in any way we can.
